The Vienna Get Set predeparture guide prepared by IES provides important information about the program, and you should read it with care. The following supplemental information pertains to Indiana University students only.

IES AND IU

IES Abroad is a nonprofit organization that administers 120+ study abroad programs in more than 30 global locations worldwide. More than 235 U.S. colleges and universities, including Indiana University, have formal agreements with IES, and their representatives work with the Institute to set academic policy and approve curricula. Through its office in Chicago, IES administers the Vienna Music Program.

The IU Office of Overseas Study has made special arrangements with IES to recruit and orient IU students for this summer program. A number of IU students will be enrolled in the program. You will, however, have many classmates and flatmates who come individually from other U.S. universities.

FINANCIAL ARRANGEMENTS

You pay all program fees directly to Indiana University. Any questions regarding finances for the program, including financial aid, should be addressed to the Office of Overseas Study at Indiana University. Students from other U.S. universities have different arrangements with IES regarding fees and housing deposits.

COURSEWORK

You will earn 6 IU credits for 2 courses. (Students can enroll in a third course for an additional fee.)

Students who have completed less than two semesters of German language are required to take a 3-credit German language course (GER-OS 100*) and can select one 3-credit music course taught in English: Music of the Viennese Classical Period, Music Performance Workshop, or Individual Performance Studies.
German Language Courses (based on placement exam)
- Beginning German I    GER-OS 100 *
- Beginning German II   GER-OS 100 *
- Intermediate German I GER-OS 100 *
- Intermediate German II GER-OS 100 *

Music Courses in ENGLISH
- Music History         MUS-M 410
- Music Workshop        (depends on instrument/voice)
- Indiv. Performance Studies (depends on instrument/voice)

DEPT-OS 100 (-OS 300) is the default designation to identify courses recorded as 100-level (300-level) undistributed credit that can count in total hours toward graduation and may be able to satisfy major, minor, or distributional requirements with the approval of the participant’s school.

General Education Requirement: This program will satisfy the International Experience option of the World Languages & Cultures general education requirements.

Final enrollment will not be confirmed until you arrive in Vienna. If you have any questions about how Vienna courses fit into your degree program, contact Overseas Study.

* Students will need to take the German language placement test at IU upon return for German language credit.

Courses cover a great deal of material rapidly. Do not let the excitement of Vienna distract you from your studies. Prepare your papers and reports far enough in advance to avoid the last-minute crunch.

LANGUAGE PLACEMENT

You will be assigned to language classes on the basis of an IES placement test. Since IES students come from many different U.S. colleges, each with its own textbooks and class sequence, IES language classes cannot match IU's courses perfectly.

The German language course equivalencies are undistributed. Students will need to take a German language placement test upon return to receive distributed German language credits.
