

University of Adelaide Adelaide, Australia

Important Notes:

- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available each term in the [University of Adelaide timetable](#)
- Keep in mind that **Semester 1** is equivalent to our **Spring** semester and **Semester 2** is equivalent to our **Fall** semester. You can use the [Course Outlines page](#) for course descriptions and syllabi.
- Undistributed 100-level (-OS 100*) courses have not yet been evaluated by an IUB department. Courses with a DEPT-OS 100* equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.
- Students are required to take four courses on the program for a total of 12 units (equivalent to 12 IU credits).

Symbol Key:

1. #GEN ED: This course will carry breadth of inquiry A&H credit
2. %GEN ED: This course will carry breadth of inquiry S&H credit.
3. ++ Common Ground AH/SH credit awarded to students on a case-by-case basis
4. + IU Title: Special Topics in Foreign Study (elective credit in COLL)
5. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major. Students can earn up to two SPEA courses on an OVST study abroad program.
6. ! For Biology B.A. and standard Biology B.S. degrees only (will not count for Areas of Concentration)

Foreign Course Title	IU Course Equivalent	General Education
Anatomy		
Applied Anatomy of Cranial Nerves by Dissection	ANAT-OS 100*	
Biology and Development of Human Tissues	ANAT-OS 100*	
Comparative Anatomy of Body Systems II	ANAT-OS 100*	
Foundations of Human Neuroanatomy	ANAT-OS 100*
