

Alcalá de Henares-CIEE

Summer Language & Culture

Select courses as follows (6 credits total):

1. Session One: Select two courses, 3 credits each
2. Session Two: Select two courses, 3 credits each

Important Notes:

- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available on the [Alcalá-CIEE program website](#) (CIEE does not list IU equivalencies) and the tentative schedule is available on the [Benjamin Franklin Institute website](#). **Please take into account that many courses are offered at the same time.**
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.
- Courses designated as OS 300 have been evaluated by the Spanish department and awarded 300-level credit. HISP-OS 300 will be awarded when HISP-S 317 is not feasible.
- In order for course to be considered for Spanish major/minor credit, all coursework must be completed in Spanish and the focus should be predominately on Spanish language content.
