Select courses as follows (15-16 credits in total):

1. Required language course (4 credits)
 - Students will be placed into appropriate Spanish course based on the results of an IES administered placement exam
2. Required area studies courses (6-9 credits)
 - 2-3 courses must be taken at the IES Barcelona Center
3. Required 1-2 courses (2-4 credits each) of coursework at a local university -or- IES internship**

 - Please note that with some local universities, IES may require students to take (2) classes minimum; You will need special permission to take only (1) class at a local university
 - Internship placements at a Spanish business or organization (technical placements require more advanced Spanish)

Important Notes:

- Students will be required to complete and sign an 'Outside Course Commitment' form to acknowledge the local university or internship placement requirement - there will be no exceptions to this rule.
- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available as well as syllabi on the [Barcelona-IES program website](#) (IES does not list IU equivalencies).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT-OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.

1. #GEN ED: This course will carry breadth of inquiry A&H credit
2. %GEN ED: This course will carry breadth of inquiry S&H credit.
