

Budapest CIEE

Central European Studies

Select Courses as follows (15 credits in total):

1. Required language Course (3 credits)
2. A combination of the follow (12 credits)
 - a. CIEE Area Studies courses (3 credits each)
 - b. CIEE Internship (3 credits)
 - c. Corvinus University Courses (3 credits each)

Important Notes:

- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available on the [CIEE Budapest website](#) (program/provider does not list IU equivalencies).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.
- Corvinus University offers courses in Business, Economics or Political Science. Students can take up to **two** courses at CU, but please note that these courses will NOT count towards a Business major or minor. All courses will be initially equated as DEPT-OS100. A final list of Corvinus courses will be made available to students after acceptance. Below is a sample of University courses that have been taken in the past
