OR

Important Notes:

- Two sessions of the program are required, but students select which combination they prefer at the time of application.
- Courses below may not be offered each term. These courses have been offered in the past and the equivalencies shown indicate how courses have transferred back to IU. Please check the [Buenos Aires-CIEE program website](#) for the most up-to-date course offerings (CIEE does not list IU equivalencies).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT-OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.
- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the program's site to determine eligibility.
- In order for courses to be considered for **Spanish major/minor credit**, all coursework must be completed in Spanish and the focus should be predominately on Spanish language content.
