

Christchurch IES

University of Canterbury

Important Notes:

- Courses below may not be available each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit. You can find a potential list of courses available each term on the University of Canterbury [Advanced Course Search page](#)
 - Enter a keyword OR
 - Use the drop-down menu on the left to search by subject
- Keep in mind that **Semester 1** is equivalent to our **Spring** semester and **Semester 2** is equivalent to our **Fall** semester.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent may count towards overall credits to graduate. However, students may submit the course materials to that department for evaluation towards a specific credit either before or after studying abroad.
- A course listed as OS200/300/400, the academic department has evaluated the course. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the university's site to determine eligibility.
- Students should inquire with ksabroad@indiana.edu about business credit.
- Students are required to take the equivalent of 15-19 credits (60-76 University of Canterbury points, generally four courses)

Symbol Key:

1. #: GEN ED A&H credit
2. %: GEN ED S&H credit
3. *: The department has reviewed the course and determined it does not carry more than OS-100.
4. + IU Title: Special Topics in Foreign Study (upper-level elective credit in COLL)
5. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major based on IUB matriculation. [Check SPEA Approval List](#) and confirm with your O'Neill Advisor in advance of your study abroad experience.
6. ! Must confirm with Biology department how course may fulfill degree requirements.

Courses may be available in the following disciplines:

Antarctic Studies

Antarctica and Global Change
Antarctica: Life in the Cold
Antarctica: The Cold Continent
