

CYA Athens Summer

Select Courses as follows (4-8 credits in total):

1. Required CYA elective course (4 credits)
 - a. Students may only take one course per session
 - b. Students can enroll in only one or both sessions

Important Notes:

- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available on the [CYA Athens website](#) (program/provider does not list IU equivalencies).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.
- Upper level business credit is only available to Kelley School of Business and LAMP students with the required prerequisites. Please discuss course distribution with KSB.
