

Jerusalem, Hebrew University

Select Courses as Follows:

1. Fall-only students: 3 credits for September Ulpan and 12-13 credits during fall term
2. Academic year students: 3 credits for September Ulpan, 12-13 credits during fall term, and 15-16 credits for spring term
3. Spring-only students: 3 credits for winter Ulpan and 12-13 credits during spring term
4. *All students must take at least 1 Hebrew language course and 1 Jewish Studies or Israeli Studies course each semester*

Important Notes:

- Courses below may not be available each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit.
- The Hebrew University of Jerusalem also has some [courses taught in English](#). Students are able to select from these courses as well. **Students participating on the fall-only program, however, will not be able to take courses directly at the Hebrew University of Jerusalem, since these courses do not finish on time for students to return to IU for the spring semester.**
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT-OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.
- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.
- **Some courses may carry pre-requisites; be sure to check the program's site to determine eligibility.**
- Ulpan: AY students are enrolled in Ulpan during the 2nd summer session at IU. This is also where the credits for Ulpan will show up on your transcript.
 - Note: Academic year students do NOT have to repeat Ulpan during spring term. Instead, they will be required to enroll in an additional 3-credit course to maintain a 15-credit minimum per term.
- In some cases, IU may award a different number of credits than suggested by HUI for a course taken in Jerusalem. This is to comply with university restrictions on the maximum number of credits that may be earned in a semester.

Symbol Key:

1. #: GEN ED A&H credit
2. %: GEN ED S&H credit
3. ~: GEN ED N&M credit

5. + IU Title: Special Topics in Foreign Study (upper-level elective credit in COLL)
6. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major based on IUB matriculation. [Check SPEA Approval List](#) and confirm with your O'Neill Advisor in advance of your study abroad experience.
7. ! For Biology B.A. and standard Biology B.S. degrees only (will not count for Areas of Concentration); must confirm with academic advisor how course may fulfill degree requirements.

8. † Some courses have different equivalencies depending on what the student has previously taken. If the student has taken the first equivalency, then, and only then, will they receive the second equivalency.
