

## Legon-CIEE

### Select Courses as follows (15 credits in total):

- Required Twi language course at the University of Ghana
- A minimum of four courses from course offerings at the University of Ghana
  - You must take at least one course in a subject related to Africa
- Optional, unpaid 3-credit internship

### Important Notes:

- Courses below may not be available each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit.
  - Directed Independent Research is not an option for IU students.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.
- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the [program's site](#) to determine eligibility.
- Odd-numbered courses are offered in the fall, and even-numbered courses are offered in the spring.
  - Second year courses are numbered from 200-299.
  - Third year courses are numbered from 300-399.
  - Fourth year courses are numbered from 400-499.
- A list of University of Ghana (UG) courses is available on the UG website within the [Student Handbook](#). Not all courses within UG Colleges or Schools are appropriate for program participants. Students are advised to be flexible in course selection and not necessarily expect to fulfill specific major requirements, due to possible changes in the courses offered each term.
