- Students should inquire with ksabroad@indiana.edu about business credit.

- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.

- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.

- Please note that a list of the courses you take on this program will be sent to the Department of Spanish & Portuguese to facilitate the course approval process.

- Some courses may carry pre-requisites; be sure to check the program’s site to determine eligibility.
