

Madrid-IES

Language and Area Studies Program

Select courses as follows (16 credits in total):

- Required Spanish course: 4 credits
- Required three additional IES courses: 9 credits
- Required: 3 credit internship

Important Notes:

- All courses on this program are taught in Spanish at an adjusted level for international students.
- Students will be required to complete and sign a 'Commitment' form to acknowledge the internship placement requirement - there will be no exceptions to this rule.
- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available on the [Madrid-IES program website](#) (IES does not list IU equivalencies).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT-OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.
