Madrid-IES
Language and Area Studies Program

Select courses as follows (16 credits in total):

- Required Spanish course: 4 credits
- Required three additional IES courses: 9 credits
- Required: 3 credit internship

Important Notes:

- All courses on this program are taught in Spanish at an adjusted level for international students.
- Students will be required to complete and sign a ‘Commitment’ form to acknowledge the internship placement requirement - there will be no exceptions to this rule.
- Courses below may not be available each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit. Please check the Madrid-IES program website for the most up-to-date course offerings (IES does not list IU equivalencies).
- Students should inquire with ksabroad@indiana.edu about business credit.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.
- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the program’s site to determine eligibility.

8. Some courses have different equivalencies depending on what the student has previously taken. If the student has taken the first equivalency, then, and only then, will they receive the second equivalency.
