

Monteverde CIEE 2020-2021

Select Courses as Follows:

1. Required language course – based on placement exam
2. Tropical Diversity
3. Tropical Community Ecology
4. Humans in the Tropics
5. Independent Research in Biology/Ecology

Important Notes:

- Courses below may not be available each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit.
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.
- If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.
- Some courses may carry pre-requisites; be sure to check the program's site to determine eligibility.

Symbol Key:

1. #: GEN ED A&H credit
2. %: GEN ED S&H credit
3. ~: GEN ED N&M credit
4. *: Course already has been evaluated by a department and does not carry more than OS-100.
5. + IU Title: Special Topics in Foreign Study (upper-level elective credit in COLL)
6. ! For Biology B.A. and standard Biology B.S. degrees only (will not count for Areas of Concentration); must confirm with academic advisor how course may fulfill degree requirements.
7. † Some courses have different equivalencies depending on what the student has previously taken. If the student has taken the first equivalency, then, and only then, will they receive the second equivalency.

CIEE Course Title

IU Equivalent

Spanish Language	HISP-OS 100
Tropical Diversity	BIOL-OS 300***
Tropical Community Eco	BIOL-L 433**
Independent Research in Biology/Ecology	BIOL-X 490
Human in the Tropics	GEOG-OS 200

**Fulfills upper-level lecture & lab credit for BIO majors/minors. This also fulfills 1 formal lab in the Animal Behavior BS. (no exception required for Animal Behavior but exception required for BIO)

***Fulfills upper-level lecture & lab credit for standard Biology B.A./B.S. majors/minors. This may also fulfill either 1 formal lab OR an Evolution/Ecology perspectives course in the Animal Behavior BS. (fulfilled by exception)
