Santiago, Chile CIEE
Liberal Arts Program

Select courses as follows (15-18 credits in total):

1. Optional language course: 4 credits
   • Based on placement test results onsite

2. Optional CIEE elective course(s): 3 credits

3. Remaining courses fulfilled between elective courses: typical enrollment in 3 or more courses to meet minimum of 15 credits
   • Classes selected onsite with CIEE assistance
   • The final list of courses is available during the first two weeks of the program in Santiago
   • Students select courses from options across a range of disciplines at the following universities:
     ➢ Pontificia Universidad Católica de Chile
     ➢ Universidad de Chile
     ➢ Universidad Diego Portales
   • It is recommended that students consider commute times when selecting courses onsite

Important Notes:

• All courses on this program are taught in Spanish. Courses taken with Chilean students will require students to adapt to differences in educational system, style of instruction, and expectations. Carefully review course selections for any prerequisites or prior knowledge needed to be successful.

• IU students are not permitted to enroll in Art & Design (painting, ceramics), Sports (Mountain Climbing), or other activities-type courses without Overseas Study permission and 15 credits of degree-relevant classes first.

• Courses below may not be available each term. These courses have been offered in the past. The articulations below indicate the IU-Bloomington equivalent credit. Please check the Santiago-CIEE program website for the most up-to-date course offerings (CIEE does not list IU equivalencies).

• Students should inquire with ksabroad@indiana.edu about business credit.

• Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad.

• If a course is listed as OS200/300/400, the course has been evaluated by the academic department. Be in touch with the academic department to determine how course may fulfill degree requirements.

• Some courses may carry pre-requisites; be sure to check the program’s site to determine eligibility.

Symbol Key:

1. #: GEN ED A&H credit
2. %: GEN ED S&H credit

Updated 2/2023
3. ~: GEN ED N&M credit
4. *: Course has already been evaluated by a department and does not carry more than OS-100.
5. + IU Title: Special Topics in Foreign Study (upper-level elective credit in COLL)
6. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major. Check SPEA Approval List for currently approved courses. Students can earn up to two SPEA courses on an OVST study abroad program.
7. ! Must confirm with Biology department how course may fulfill degree requirements.
8. † Some courses have different equivalencies depending on what the student has previously taken. If the student has taken the first equivalency, then, and only then, will they receive the second equivalency.
