

Santiago, Dominican Republic CIEE *Liberal Arts Program*

Select courses as follows (15-18 credits in total)

1. Required language course: 4-6 credits (pending placement)
2. Required core course: 3 credits
3. Required elective courses through PUCMM options: 7-9 credits (exact offerings vary per placement level)

PUCMM limits CIEE program participants to 16 credits taken at the university, including language.

Important Notes:

- All courses on this program are taught in Spanish. Courses taken with Chilean students will require students to adapt to differences in educational system, style of instruction, and expectations. Carefully review course selections for any prerequisites or prior knowledge needed to be successful.
- Course availability based on onsite language testing into Level I, Level II, or Level III
- IU students are **not permitted** to enroll in Art & Design (painting, drawing), Sports (basketball, etc.), or other activities-type courses without Overseas Study permission and 15 credits of degree-relevant classes first.
- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available on the [Santiago-CIEE program website](#) (CIEE does not list IU equivalencies).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.
