Important Notes:

- All courses on this program are taught in Spanish at an adjusted level for international students.
- Syllabi for Seville-CIEE courses can be found on an additional [syllabi site](#).
- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available on the [Seville-CIEE program website](#) (CIEE does not list IU equivalencies).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.

Symbol Key:

1. #GEN ED: This course will carry breadth of inquiry A&H credit
2. %GEN ED: This course will carry breadth of inquiry S&H credit.
3. ++ Common Ground AH/SH credit awarded to students on a case-by-case basis
4. + IU Title: Special Topics in Foreign Study (elective credit in COLL)
5. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major. Students can earn up to two SPEA courses on an OVST study abroad program.
