Russian Language

Select Courses as follows (17 credits in total):

1. Required Russian Grammar Course (4 credits)
2. Required Russian Phonetics Course (3 credits)
3. Required Russian Conversation Course (4 credits)
4. Required Elective Courses (6 credits)

Important Notes:

- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available on the [CIEE St. Petersburg website](#) (program/provider does not list IU equivalencies).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.
- Academic year students will take the Advanced Translation course in the spring in place of taking the next level phonetics course
