

SIT Switzerland: Global Health and Development Policy 2017-2018

Students on this program will take the following courses:

1. Development Policy and Health (3 credits)
2. Perspectives on Global Health (3 credits)
3. Intensive Language Study: French (3 credits)
4. Research Methods and Ethics (3 credits)
5. Independent Study Project (4 credits)

Important Notes:

- You can find the most current course offerings on the program [here](#).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by a department on campus. Courses with –OS 100* equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for major/minor credit either before or after studying abroad depending on departmental policies. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.
