

The total fixed fees include academic fees, housing, breakfast and weeknight suppers during the program, and health insurance valid during the program dates. In late April you will be notified by the Bloomington Bursar via e-mail that your statement is available for viewing on the web through *IU Bursar Pay*. The \$500 prepayment and any applicable IUB financial aid will be reflected as credit. The total program fee is expressed as two separate charges on the Bursar's invoice. The fees listed as "IU-admin" are the instructional fees that qualify as educational costs. Those listed as "Miscellaneous" include all the non-instructional costs of the program, such as housing, most meals and health insurance.

If your **financial assistance** is greater than the IU fees, the difference will be refunded to you. Students should arrange to have the funds deposited into a U.S. bank account (see the Student Central website <https://studentcentral.indiana.edu/pay-for-college/index.html>). If for some reason direct deposit is not an option, instruct the Bursar to mail a check to your permanent address where someone is authorized to open your mail and deposit the check into your bank account.
