

The total fixed fee includes academic fees, housing, most meals, local transportation, group excursions, entrance fees on excursions, and health insurance valid during program dates. In late April you will be notified by the Bloomington Bursar via e-mail that your statement is available for viewing from the web through IU Bursar Pay. The \$500 prepayment and any applicable IUB financial aid will be reflected as credit. The total program fee is expressed as two separate charges on the Bursar's invoice. The fees listed as "IU-admin" are the instructional fees that qualify as educational costs. Those listed as "Miscellaneous" include all the non-instructional costs of the program, such as housing, meals and health insurance.

Rows include Due March 2 to Overseas Study-Non-refundable Prepayment, Due May 10 to IUB Bursar: OVST fees, OVST Miscellaneous Fee, Overseas Study Prepayment Credit, Balance of fees due to IUB Bursar Bill, and Total Fixed Fees Paid to Indiana University.

Students will need additional funds to pay the estimated additional program costs. These will vary from student to student as they are based on individual spending habits and lifestyle choices. The dollar's value will also affect your costs.

If your financial assistance is greater than the IU fees, the difference will be refunded to you. Students should arrange to have the funds deposited into a U.S. bank account (see the Student Central website https://studentcentral.indiana.edu/pay-for-college/index.html). If for some reason direct deposit is not an option, instruct the Bursar to mail a check to your permanent address where someone is authorized to open your mail and deposit the check into your bank account.
