**SPECIAL CIRCUMSTANCES AND ADVICE FOR OVERSEAS STUDY IN SPRING 2022**

- **Will study abroad programs be running in Spring 2022, considering the COVID-19 pandemic?**
  - While planning to continue with Spring 2022 semester-long programs, the Office of Overseas Study continues to closely monitor the COVID-19 pandemic and follow guidance from national and international organizations, such as World Health Organization, Centers for Disease Control, and the U.S. Department of State. We also are in touch with our study abroad partners and providers to determine if they are able to host IU students in Spring 2022.
  
- **I have been accepted to a Spring 2022 study abroad program. If I decide not to go, can I get my \$500 prepayment back? Can I defer to a future semester?**
  - Please refer to your program's cancellation/withdrawal policy on the bottom of the attached fee schedule as it has very detailed information regarding dates of cancellation or withdrawal. The \$500 prepayment will be refunded if the program is cancelled by the provider or Indiana University. Students interested in deferring to a future semester (and who are still eligible for that semester) should speak with their study abroad advisor.
  
- **Should I purchase an air ticket for travel to my program destination for Spring 2022?**
  - No. Students are advised to avoid incurring any financial commitments until 60 days prior to program start date.
  
- **If I withdraw from my Spring 2022 program, what happens to any study abroad scholarships I received?**
  - Students should not expect to receive any study abroad-related scholarships, if their program abroad is cancelled.
  
- **What should I do about housing at IU, if my Spring 2022 program gets cancelled?**
  - Students should consult IU Classifieds or be in touch with Residential Programs and Services about spring housing options.

The IU fees cover academic fees, housing in a double room with a private kitchen, a few study trips, international SIM card, airport transfer, residency permit and health insurance during the program dates. In late December you will be notified by the Bloomington Bursar via e-mail that your statement is available for viewing from the web through *IU Bursar Pay*. The \$500 prepayment and any applicable IUB financial aid will be reflected as credit. The program fee is expressed as two separate charges on the Bursar’s invoice. The fees listed as “OVST Fees - (IU admin prog)” are the instructional fees that qualify as educational expenses. Those listed as “OVST Miscellaneous charges” include non-instructional costs of the program, such as housing and health insurance.
