**SPECIAL CIRCUMSTANCES AND ADVICE FOR OVERSEAS STUDY IN SUMMER 2021**

- **Will study abroad programs be running in Summer 2021, considering the COVID-19 pandemic?**
  - While planning to continue with Summer 2021 semester-long programs, the Office of Overseas Study continues to closely monitor the COVID-19 pandemic and follow guidance from national and international organizations, such as World Health Organization, Centers for Disease Control, and the U.S. Department of State. We also are in touch with our study abroad partners and providers to determine if they are able to host IU students in Summer 2021.
  
- **I have been accepted to a Summer 2021 study abroad program. If I decide not to go, can I get my \$500 prepayment back? Can I defer to a future semester?**
  - Generally, students who withdraw from a Summer 2021 program at least 14 days prior to the program start date or whose program is cancelled will be refunded their \$500 prepayment, but these details vary by program. Students interested in deferring to a future term (and who are still eligible for that term) should speak with their study abroad advisor.
  
- **Should I purchase an air ticket for travel to my program destination for Summer 2021?**
  - No. Students are advised to avoid incurring any financial commitments until 60 days prior to program start date.
  
- **Should I enroll in Summer 2021 IU on-campus classes, just in case my study abroad program gets cancelled?**
  - Yes. If it appears that your Summer 2021 study abroad program will run as scheduled, then our office will send students instructions to drop the IU courses and add the OVST placeholder course.
  
- **If I withdraw from my Summer 2021 program, what happens to any study abroad scholarships I received?**
  - Students should not expect to receive any study abroad-related scholarships, if their program abroad is cancelled.

Fee Schedule Summer 2021
Spanish Conversation & Service Learning
Dominican Republic

The total fixed fee includes academic fees, housing, meals, excursions, and health insurance valid during program dates. In late May you will be notified by the Bloomington Bursar via e-mail that your statement is available for viewing from the web through IU Bursar Pay. The \$500 prepayment and any applicable IUB financial aid will be reflected as credit. The total program fee is expressed as two separate charges on the Bursar's invoice. The fees listed as "IU-admin" are the instructional fees that qualify as educational costs. Those listed as "Miscellaneous" include all the non-instructional costs of the program, such as housing and health insurance.

Students will need additional funds to pay the estimated additional program costs. These will vary from student to student as they are based on individual spending habits and lifestyle choices. The dollar's value will also affect your costs.

Rows include International Airfare, Personal Expenses, Total ESTIMATED Additional Costs, Total Estimated Program Costs, Total Fixed Fees Paid to IU, Total Estimated Additional Program Costs, and Total ESTIMATED Costs.

If your financial assistance is greater than the IU fees, the difference will be refunded to you. Students should arrange to have the funds deposited into a U.S. bank account (see the Student Central website https://studentcentral.indiana.edu/pay-for-college/index.html). If for some reason direct deposit is not an option, instruct the Bursar to mail a check to your permanent address where someone is authorized to open your mail and deposit the check into your bank account.

IU Withdrawal and Refund Policy

Students who withdraw from the program less than 14 days before the start date will forfeit the \$500 prepayment. Students that withdraw on the start date of the program or after arrival will forfeit the entire program fee.
